Classification recorded by the agency user.

Relevant agreed deliverables

- **Marketing website**
  Design and build a responsive marketing website with home, about, services, and contact pages.

Estimate & additional fee

Item	Amount
Original estimated time	3h 20m (200 min)
Billable time	3h 30m (210 min)
Hourly rate	$60.00 / hour
Additional fee	**$210.00**

Time rounds upward to 15-minute increments. The final fee rounds to the nearest minor unit, with ties upward. No automatic tax or multiplier is applied.

Response to the client

This is a long, explicitly supplied response for print verification. This is a long, explicitly supplied response for print verification. This is a long, explicitly supplied response for print verification. This is a long, explicitly supplied response for print verification. This is a long, explicitly supplied response for print verification. This is a long, explicitly supplied response for print verification.
